A Message From the Pastor

Dear friends and family of FPC-C,

Easter Sunday is my favorite holiday and Sunday (and not just because I’m a pastor). After a long winter of coldness and darkness, Easter always comes at the beginning of spring which in itself gives us reminders of new life, from budding plants to newborn babies.

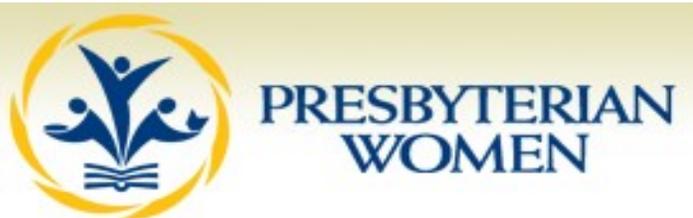

The days are starting to lengthen and the weather starts to warm up. Everything about spring and Easter gives me hope, even if everything at the moment seems bleak. One of the lessons I have learned from the Easter story is to expect the unexpected. One Easter day that I will never forget is the Easter when Kaitlynn, Jason and I returned home after worship and we found a puppy on the steps to our back porch.

On the day that the Easter Bunny is expected to bring eggs and candy, this time it brought something unexpected (to the dismay the parents). Kaitlynn named the puppy E.B. (Easter Bunny). Somehow, we were able to explain to our then four-year-old that E.B. was most likely lost. We went door to door and couldn’t find E.B.’s owner. We ended up taking E.B. to the animal shelter where she was eventually adopted.

Lesson learned, expect the unexpected. When you anticipate something happening that you haven’t expected or surprises you, then you are more likely to be able to react and respond with more flexibility. You may find yourself open to more possibilities, and more likely to try something that you once wouldn’t have dared. Maybe, you might believe something that you once could never have conceived.

That is just the position the disciples were in when they found Jesus’ tomb empty that morning so long ago. Although Jesus had told them exactly what was going to happen it was

Upcoming activities

- A “trace-and-cut” session for baby caps will be held on Monday, April 2, at 9:30 a.m. in Fellowship Hall. We will be sewing 100 baby caps to take to the newborn nursery at Hunt Regional Medical Center in Greenville by May 1. Bring your pins and scissors and join us.

- PW Circle will meet on Monday, April 9, at 10 a.m. **Bettina Zvanut** is the leader for Lesson 8 in our study, of Cloud of Witnesses. **Nancy McFarland** is hostess. All women are invited to join us. Please bring an item for the Commerce Food Pantry.

- Two spring meetings for women in Grace Presbytery will be held this month. Listed below is further information:

Saturday, April 14, at FPC-Kilgore

Saturday, April 28, at St. Stephen PC-Ft. Worth.

Both meetings begin at 8:30 a.m. and will conclude by 2:00 p.m. Lunch is \$8. Workshops to be held include Updates for Officers; an informative presentation about PPAS (Presbyterian Pan American School); Prayer Life and Devotions; Updates for Cluster Leaders; an overview presentation for our 2018-2019 Horizon’s Bible Study presented by **Rev. Betsy Pense** of Fort Worth.

In addition, items will be for sale at the Mission tables and you may visit the “Book Fair” table (Bring a book you no longer need and get a book you would like to read). You may attend the Mission Workshop and help make fleece blankets for a homeless shelter. No sewing is required; just tie the knots and enjoy fellowship with other women throughout Grace Presbytery. Bettina serves as Vice Moderator for Programs for Grace Presbytery PW and has been very busy arranging the workshops.

If you would like to attend, please get in touch with me and I will make a reservation for you. Reservation deadline is one week before each event. A car pool will be arranged for travel.

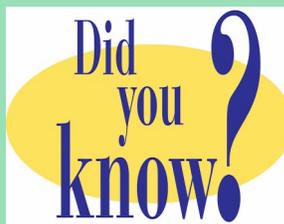

A mission outreach effort spearheaded by **Bettina Zvanut**, with the help of some generous donors, has resulted in 16 gifts of robes and slippers being delivered to Kindred Hospice in Greenville.

The hospice staff was thrilled, and the bags filled the office of the community outreach staff member. Three more bags were recently delivered for a total of 19 gifts for the patients there.

Thank you to everyone who helped with this mission to our community!

The last three bags have been loaded and delivered..

Transubstantiation

In Holy Communion we receive the presence of Christ to strengthen our faith and life. How does that happen? The Roman Catholic view is that the

substance of the bread and wine is transformed to become the substance of the body and blood of Christ. (Transform the substance: trans-substantiation.) Presbyterians argue that Christ is genuinely present in these elements, but it is a spiritual presence, rather than a physical presence. That is, it is not a question of molecules of bread becoming molecules of human flesh. Instead, it is Christ coming to dwell within us, as he promised to do.

Upcoming Community Events

Friendship Bridge has FPC Influence

On Monday, April 9, at 1:30 p.m., the Northeast Texas Children's Museum is once again having its big fund-raiser, **Friendship Bridge**, at the museum. The event is its longest running fundraising event. It has a big FPC presence since it is co-chaired by **Toni Deaton and Nancy McFarland**, and **Brenda**

Nancy McFarland, NTCM director Sharline Freeman, and Toni Deaton, invite you to join them for the Friendship Bridge event.

Estes, who volunteers for the museum, will be helping out as well.

"We have watched friendships grow each year around the bridge table," said Nancy. "We enjoy seeing returning friends and welcoming new participants each year."

The event provides a relaxing environment for the players. You can come as an individual and be paired with someone, or you can come with a group. Groups may rotate to other tables or stay together throughout the afternoon.

"We will also offer tables for beginning bridge players. Sometimes when individuals have not had the opportunity to play in the last year, they enjoy being with other players of the same level," Toni explained.

The afternoon will include bridge, dessert, and prizes for winners of high, second high, and low. There will also be drawings for other prizes.

Both Toni and Nancy are selling tickets, which are \$25 each. They may also be purchased directly from the museum by phone (903-886-6055) with a credit card.

If you want to make a large to-go or delivery order in Commerce, please contact Angela Roberts by Wednesday, April 4, at 972.765.6547 or agroberts@hotmail.com.

Why should you support FISH? FISH is one of the primary resources we refer neighbors to in need when they enter the church office or are served by the Commerce Food Pantry. FISH provides short-term emergency assistance to residents of Hunt County who are in crisis due to neglect, abuse, or

CCC Grant Helps Provide More Food Options for Neighbors in Need

By Angela Roberts
President, Commerce Food Pantry

The Commerce Food Pantry appreciates Commerce Community Cares (CCC) and its patrons! CCC awarded a grant to the Pantry in 2018 to purchase a commercial freezer. This freezer will not only allow the Pantry to store additional types of meat, thus increasing the protein options for our neighbors in need, but will also allow the Pantry to lower its food costs by ordering in bulk from the North Texas Food Bank and storing these additional meats.

The freezer arrived and was promptly filled on March 21 with sliced turkey breast, ground turkey chubs, and baby back pork ribs from the North Texas Food Bank. By March 29 after two distributions, it was nearly empty. Before the freezer arrived, the Pantry's primary meat options were canned tuna, chicken, and SPAM. The freezer will be restocked on first and third Wednesdays of each month when the North Texas Food Bank delivers to Commerce.

The Pantry could not provide any assistance though without the support of you, the congregation of First Presbyterian. Thank you for opening your doors and for faithfully giving your time and resources to this mission. We are also grateful for Roger McKenzie, your church secretary. He is the

face of the Pantry in so many ways, i.e., fielding phone calls, accepting donations, and graciously lending a hand when needed. Thank you all!

Above, the freezer was quickly stocked with meat from the North Texas Food Bank. Below, Isabel Davis shows Commerce Community Cares Board Member Doc Pierce the new freezer. Below left, Mike Roberts moves in the freezer purchased with CCC grant money
